CHINESE LABOR FOR SAMOA.

Continued from Page 3.

A report on Hilo hospital by
Sheriff Andrews led to instruc-
tions regarding certain repairs.
Miss Grubb the matron is still
quite ill.

Dr. John Grace, partner of Dr.
R. B. Williams, applied for ap-
pointment as consulting physi-
cian to the Hilo hospital. Grant-
ed.

Dr. A. McWayne asked that
Dr. Hayashi be appointed his
substitute as government physi-
cian for North Kona for about
two months. Deferred to await
arrival of Dr. McWayne in town.

An application for the position
of milk inspector was placed on
file. Mr. Johnstone having stated
that he had appointed Wm. Er-
wing, who was giving satisfac-
tion.

A letter from Mr. Reynolds was
read, describing the success of
changed treatment of beef cattle
at Kalaupapa after being han-
dled.

Dr. Herbert Wood was heard
from in two letters, announcing
his change of residence, reporting
on examination of school chil-
dren at Kahuku, Oahu, and offer-
ing to continue as government
physician for the Koolau district
until another be appointed. It
was resolved to commission Dr.
Wood as physician for Waialua
and Kahuku, his district extend-
ing to Waikane, and that he be
requested to continue to act for
Koolauloa and Koolapoko until
another be appointed.

Bills of Hilo hospital against
the U. S. military were submit-
ted, one of them already approved
by Surgeon Colonel Wood.

A list of patients at Kalihi for
transfer to Molokai was present-
ed, and it was decided to send
them over by first steamer.

The taro planting in Waikolo
valley, Molokai, was the subject
of a letter from Ambrose Hutchin-
son, former assistant superinten-
dent of the Settlement. Mr.
Reynolds, whose regulations in
the matter were called in ques-
tion by the writer, gave an explana-
tion of the matter. The regulations
were those approved by the Board
and Mr. Hutchinson formerly
consented to them as good. On
his latest visit he held a confer-
ence with the taro planters, who
acquiesced freely in the regula-
tions. Mr. Hutchinson stood alone
in his opposition.

It was decided that the Board
sustain Mr. Reynolds in his ac-
tion of enforcing the regula-
tions.

The position of the Board of
Health is clearly stated in the
following extract from minutes of
July 28, 1897:

"Taro planting at Waikolo val-
ley. On motion the Board voted
to authorize the Executive Officer
to make arrangements with lepers
or kokuas at the Leper Settlement
for cultivating taro in the Wai-
kolo valley upon the following
terms:

"The whole of the product to be
delivered to the Board and the
cultivator to be paid for three-
fourths of the same at the ruling
market rate. Any cultivator
neglecting his taro either by not
properly cultivating same or by
neglecting to deliver the taro to
the Board when ripe to forfeit all
his rights to the same. And fur-
ther that no person cultivating
taro at Waikolo be allowed to re-
main away from the Settlement
over night."

Business being concluded, the
retiring president introduced his
successor to the officials of the
Board present.

An executive session was then
held.

From all over the country, come
words of praise for Chamberlain's
Cough Remedy. Here is a sample
letter from Mrs. C. Shep, of Little
Rock, Ark.: "I was suffering
from a very severe cold, when I
read of the cures that had been
effected by Chamberlain's Cough
Remedy. I concluded to give it a
trial and accordingly procured a
bottle. It gave me I prompt relief,
and I have the best reason for
recommending it very highly,
which I do with pleasure." For
for sale by all dealers. Benson,
